NEW YORK-NEW JERSEY TRAIL CONFERENCE 1920

If you enjoy this book, we invite you to join the organization of hikers and environmentalists that published it—the *New York-New Jersey Trail Conference*. Since our founding in 1920, Trail Conference volunteers have built and presently maintain 1,500 miles of publicly accessible hiking trails in New York and New Jersey, from the Delaware Water Gap to the Catskills and the Taconics.

As a Trail Conference member, you will receive the *Trail Walker*, a bi-monthly source of news, information, and events concerning trails and hiking. The *Trail Walker* lists hikes throughout the NY-NJ region by many of our 75 member hiking clubs.

Members are entitled to purchase our authoritative maps and guides at significant discounts (*see reverse*). Our highly accurate trail maps printed on durable Tyvek® enable you to hike with assurance in northern New Jersey, the Catskills, Harriman State Park, the Shawangunks, the Kittatinnies, Sterling Forest, and the East and West Hudson Highlands.

Trail Conference members are also entitled to discounts of 10% (and sometimes more!) at most outdoor stores and many mountain inns and lodges.

Your membership helps to give us the clout to protect and maintain more trails. If you want to experience pristine nature in the broader metropolitan New York area, you will most likely use a Trail Conference trail. As a member of the New York-New Jersey Trail Conference, you will be ensuring that public access to nature will continue to expand. So please join by contacting us now.

For rates and contact information, see reverse.
